For more information about this ECHO series,
email echo@siumed.edu.

GOALS OF THIS ECHO SERIES

- To develop knowledge and skills in order to address mental health concerns in primary care and hospital settings.
- Inform physicians on the practice of mental health intervention through a biopsychosocial lens of care.
- Build knowledge around diagnostic criteria and symptomatology.

GOALS OF THE ILLINOIS BEHAVIORAL HEALTH WORKFORCE CENTER

- Strengthen and expand behavioral health curriculum and clinical training experiences.
- Strengthen educational advancement across systems.
- Build and utilize evidence in existing policymaking and policy advancement.
- Strengthen pre-career programs and awareness.
- Address financial barriers to behavioral health education and workforce entry.
- Support and retain the incumbent workforce in providing high quality care.

ABOUT PROJECT ECHO

Project ECHO (Extension for Community Healthcare Outcomes) is an "All Teach, All Learn" tele-mentoring program where participants engage in a virtual community with their peers to support, guide and give feedback.
